IQAC,

In collaboration with Teacher unit, Samaguri College

On 11th March, 2022

Today, on 11th March, 2022 Samaguri College staff visited the HSLC and HSSLC candidate's houses of our adopted village Geruamukh, to encourage them to write their final examination. The students were felicitated by giving a geometry box and a pen. The teacher's are divided into three groups for this purpose. The college has been continuously trying to develop the village economically, socially, educationally and culturally. This is a small part of this programme.
