Two senior cyclists from Nagaon town Mr. Rajib Sharma and Mr. Pradyut Bhuyan have been invited to take part in the event. The rally started by at 9.30 am in the morning. Students, teachers, non-teaching staff took part in the event. The programme was followed by a street play by geography department students. There has been a plantation programme in the college campus. We have organized a seminar on Carbon-dioxide; climate change and global warming on the occasion of environment day and which has been followed by the plantation programme.

Probable outcome: The programme makes aware the people to ride bicycle in order to keep the environment pollution free and keep healthy. This programme gives the message that world will become a much healthier place if we embrace bicycle in our daily routine.
